

**LEED v4.1 BD+C: New Construction****Building Product - Material Ingredients**

Upload the completed MR Building Products Calculator (found under the credit's "Resources" tab in the Credit Library) or equivalent documentation. Include all of the products contributing toward credit compliance.

Select one or more of the following:

- ☒ Option 1. Material ingredient reporting (1 point)
- ☐ Option 2. Material ingredient optimization (1 point)

Option 1. Material ingredient reporting

Provide the following value from the Summary tab of the MR Building Products Calculator:

Number of products meeting material ingredient reporting requirements

25

Note: Number of products must be at least 20 for 1 point and 40 for exemplary performance.

- ☒ Products provided in the MR Building Products Calculator represent at least five different manufacturers.

Note: Products provided in the MR Building Products Calculator represent at least five different manufacturers for 1 point and ten different manufacturers for Exemplary Performance.

- ☒ Products attempting the 1.5 product multiplier have third-party verification which includes the verification of the material ingredient content inventory.

Upload the documentation of chemical inventory for all products contributing toward credit compliance. The inventory can be provided by the manufacturer, Health Product Declaration, Cradle to Cradle certification, or a USGBC-approved program.

Special Circumstances

Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits. (Optional)

Upload any additional documentation that supports the claim to special circumstances. (Optional)
