

## LEED v4 BD+C: New Construction

# Construction Activity Pollution Prevention

### Select one of the following:

**EPA Construction General Permit.**

The project team created and implemented an erosion and sedimentation control (ESC) plan that conforms to the requirements of the 2012 EPA Construction General Permit (CGP). The requirements of the CGP are more stringent than local standards and codes.

**Local standards and codes.**

The project team created and implemented an erosion and sedimentation control (ESC) plan that conforms to local standards and codes, which are as or more stringent than the 2012 EPA Construction General Permit (CGP).

### Special Circumstances

Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits. (Optional)

Upload any additional documentation that supports the claim to special circumstances. (Optional)
