

LEED v4 BD+C: New Construction Enhanced Commissioning

Upload documentation demonstrating the commissioning authority's appropriate project experience for at least two similar projects of comparable size. Include the individual's name, certifications, company, and any other relevant information.

Note: The CxA may not be an employee of the design or construction firm nor a subcontractor to the construction firm.

Select one or more of the following:

- Option 1. Enhanced systems commissioning (3-4 points)**
- Option 2. Envelope commissioning (2 points)**

Special Circumstances

- Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits. (Optional)
- For projects submitted for LEED construction preliminary phase review less than three months after project occupancy: If commissioning is incomplete, provide clear highlighting shown where updates are required for the final commissioning report.

Upload any additional documentation that supports the claim to special circumstances. (Optional)
