Table: Transit service

Complete the table below based on the routes listed in Upload: Schedule.

Points are based on the lower value of the totals.

Route Name	Transit Type ¹	Walking Distance to Closest Stop ² (mi)	Daily Weekday Trips ²	Average Daily Weekend Trips ^{2,3}
Total weekday trips				0
Total weekend trips				0

Notes:

¹ Bus, streetcar, and informal transit stops must be within 1/4 mi (400 m) of a functional entry. Bus rapid transit, light or heavy rail, commercial rail, or ferry stops must be within 1/2 mi (800 m) of a functional entry.

² Only count trips in one direction.

³ Average daily weekend trips must be greater than or equal to the required minimum weekend trips.

Upload a map indicating the project location, location of the transit stop(s), routes serving each stop, and the walking routes (with walking distance noted) between the location of the project functional entry and the stop(s).

Upload Schedule i.e. For all transit types, furnish weekday and weekend route schedules showing the frequency of trips and service in opposite directions.

For projects counting planned stops or stations

Upload the verification that planned stops or stations will be sited, funded, and under construction by the date of the certificate of occupancy and will be complete within two years of that date.

Special Circumstances

Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits. (Optional)

Upload any additional documentation that supports the claim to special circumstances. (Optional)
