

## LEED v4 BD+C: New Construction

# Building-Level Water Metering

The project has permanent water meters that measure the total potable water use for the building and associated grounds.

Upload a letter from the project owner committing to share water usage data, compiled into monthly and annual summaries, with USGBC for a five-year period beginning on the date of LEED certification or when the project reaches typical occupancy, whichever comes first.

Note: The same letter may be used for EAp Building-Level Energy Metering.

### Select one of the following:

- USGBC-approved data template.** The project owner commits to providing water consumption data to USGBC and acknowledges that USGBC will only accept the data using the [USGBC-Approved Data Template](#).
- Third-party data source.** The project owner commits to providing water consumption data to USGBC and acknowledges that USGBC will only accept the data in an approved third-party source or format.

### Special Circumstances

Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits. (Optional)

Upload any additional documentation that supports the claim to special circumstances. (Optional)
