987	Bus	0.24	10	0
990	Bus	0.24	3	0
Total weekday trips				423
Total weekend trips				284

Notes:

<sup>1</sup> Bus, streetcar, and informal transit stops must be within 1/4 mi (400 m) of a functional entry. Bus rapid transit, passenger rail, or ferry stops must be within 1/2 mi (800 m) of a functional entry

<sup>2</sup> Only count trips in one direction.

<sup>3</sup> For weekend trips, only trips on the day with the higher number of trips are counted towards the threshold.

Upload a map indicating the project location, location of the transit stop(s), routes serving each stop, and the walking routes (with walking distance noted) between the location of the project functional entry and the stop(s).

### Special Circumstances

Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits. (Optional)

Upload any additional documentation that supports the claim to special circumstances. (Optional)
